Trust Ringfenced Share Purchase Fund

Have you ever dreamed of having a more direct say in what happens at your football club and being able to make a difference when it comes to the big decisions?

Of course you have. As a supporter, you have your own opinion on how things should be done. Problem is, you feel that you will never have the power or the money to buy shares and influence the club board. But now you can do something. The situation has changed.

Here's what you can do: By giving any amount you wish towards the new "Share in our Club" scheme you will help the Brakes Trust purchase shares in the club, giving the Trust a bigger stake in the club and thereby influence policy.

Peter Davis, Brakes Trust Chairman: "Anyone can now feel they own a bit of the club by donating as little as £1 a month to the Trust. With your help the Trust will purchase more shares, giving fans a real say in how the club is run."

We've set up a new ring-fenced fund dedicated to LFC Ltd share purchases – we 100% guarantee that any donations to this fund will only be used to buy shares in the club, on a regular basis.

The money will be donated directly to the club, benefiting club finances whilst strengthening the bond with the Trust.

So, how can I join?

Fill in and send back the application form overleaf. Or if you wish to set up payments yourself via your internet banking, please use the bank details on the form and email us on info@brakestrust.com to let us know that you've set it up.

Share Transfers to the Trust

Do you already own shares in LFC Ltd?

If so, we now have a way for you to transfer some of your shares to the Brakes Trust, if you wish. Quite a few people have already asked us how to put their shares to good use with the Trust rather than just collecting dust on a shelf. We now have a simple procedure, and you can transfer any number of your shares – the Trust will be very grateful for any number no matter how few!

Paul Sandison says:
"I transferred most of my shares to the Trust because I believe it will give the supporters a greater voice".

How do I do it?

1. Fill in the form on the back of this flier and post it to the Trust Secretary.
2. He will attach it to a new share application from the Trust and post to the Leamington FC Treasurer.
3. The Treasurer at Leamington FC will cancel your share ownership and provide the same number of new shares into Trust ownership.
4. The Brakes Trust will contact the applicant to confirm the transfer is complete once the new shares have been received by the Brakes Trust.

It's that simple.

And even if you'd only like to transfer one or two shares to the Trust, it would be greatly appreciated.

For more info see our website www.brakestrust.com or email us on info@brakestrust.com
